Your Son / Daughter _____ (Please Print Name) has applied for membership in the Continental Village Volunteer Fire Department.

As a member they are able to participate in Department Drills that will take place at various locations in and around the Continental Village Fire District and surrounding fire districts. These drills normally take place on Tuesday nights starting at around 7:30 but are subject to change as necessary. In addition they will be encouraged to take part in State fire training that will take place at either Putnam or Westchester County Fire Training centers. These classes also take place on week nights and weekends depending on how they are scheduled by the county hosting the class.

As a firefighter under the age of 18 your son/daughter will not be permitted to engage in interior structural firefighting duties, but will be required to preform exterior support duties. Members under the age of 18 are required to maintain passing school grades, and if this changes after being voted into membership of the CVFD, their membership will be suspended at your request until such time you authorize them to return to service.

As a member of the CVFD, your son/daughter will be part of an organization which is dedicated to preservation of life and property in our community, the Continental Village Fire Protection District. They will also be given the opportunity to build a foundation for future careers as firefighters, police officers, and emergency medical service personnel.
